

Recruitive Service Level Agreement

Recrutive Service Level Agreement

We pride ourselves on the high level of client care we deliver, providing both rapid and quality support, which is backed by friendly and helpful staff that truly value your business.

We positively detest automated ticket systems and help lines! We deliver good old-fashioned quality client care with real people on the other end of the phone that always respond immediately.

We aim to deliver the best client service in the market which is why we appoint a dedicated Account Manager who, from day one, will ensure every aspect of your account is running smoothly. As your business grows, so will our support. We also provide unlimited training and immediate technical support as and when required.

Our award-winning service is why so many of our clients choose us over our competitors.
